

Fundamental Purpose Agreement

Fundamental Purpose

The purpose of the aXess Homes™ Seal of Approval / home certification program is to promote the building of homes with features that make a home more livable for all homeowners and their visitors. As a builder participant, you agree to uphold these fundamental principles in all your actions associated with the aXess Homes™ program as follows.

Builders / Remodelers in the aXess Homes™ program agree that their homes will include at a minimum the following features:

Easy Access with a step-free entrance of not more than ½ inch from a driveway, sidewalk, or other firm surface onto the main floor of the home.

Easy Passage throughout the home because the exterior door that provides the step-free entrance and EVERY interior passage door on the main level (including bathrooms) must be at least 32 inches of clear passage space.

Easy Use because the main floor includes a kitchen, an entertainment area, a bedroom, and at least one full bathroom with sufficient maneuvering space.

Financial support for aXess Homes™, a program of Independent Living Research Utilization at TIRR Memorial Hermann is provided in part by the Texas Council for Developmental Disabilities, with Federal funds made available by the United States Department of Health and Human Services, Administration on Developmental Disabilities.

Registration Fee

The registration fee of \$150 includes membership, link on website, inclusion on member builder list, and certification of two (2) homes. Each additional home certification cost varies on the number of your homes certified per year, but does not exceed a maximum of \$75 per home. *Note: to maintain membership, you must certify at least one (1) home per year.*

Remittance is due with this enrollment form. Please make all checks payable to ILRU.
